“Walt was one of the first people I met at Sun N Fun. Over the years we talked about our jobs before we retired, solved the world's problems, had many a good laugh over some silly joke, and repeated almost daily how much we "love this place". Walt was a great friend, always a gentleman, fun to talk to and will be missed by all who knew and loved him. RIP Walt.

“Sun N Fun lost their greatest spokesperson. He loved telling me how great life here is. He didn't care about the changes, he would say to me, "they are a busines". I will never forget those words, he changed my view on on many things. Walt was a very wise man We truly enjoyed our time with Walt and Debbie and will miss him.

“I will forever be grateful for my friendship with Walt. He will always hold special place in my heart. I've had such great memories over the years with Walt and Debbie at Sun N Fun. I'll miss my chats with him but will cherish them forever. When asked, Walt would always share his most honest opinion with me. He was there for me during some difficult times. Walt was so full of love, laughter and wisdom - a truly great guy.
