“ My condolences to Marie Matthei and her family upon the passing of Wesley on May 18th. I met you several years ago when you lived in Chandlers Forde at The Meadows and I remember some very stimulating conversations about many topics.

May Wesley rest in peace and may you hold close your cherished memories.

I truly loved Uncle Wesley. He was both the best friends of my Mother, Eleanor and his other Sister, My Aunt Janet. Uncle Wes lost them both, within a years time. Then, here he was, by himself and had no siblings. For many years I thought about this. Uncle Wes loved his Sisters.

Uncle Wes was a great man. A great Father and Uncle. Uncle Wes will be greatly missed. Now, he is in Heaven with his Mother, Father and Sisters. I will keep all of them in my prayers.

Rest In Peace Uncle Wes. 🇺🇸
