“ *Wilhelmina was such a lovely woman. It was our privilege to know her and Arne for many years. We shared life together in bible study and became friends. She was an amazing example of a wife, mother, and a follower of Christ. We will remember her fondly and will see her again some day in Glory!* ”

We just today found out that Sister Wilhelmina had passed. We are so sorry for your loss. She was such a lovely lady. Ingrid and were remembering the times we had having Bible study at one another's home in Germany. The good thing is we will see her again when we get to Heaven.

We have good memories of the time she and Arne were interim-pastors in our church in Hoensbroek, The Netherlands! Wilhelmina always was a very caring, loving woman with perfect eyes for the needs of others.
