“ To Jane, family and friends; Just found out the other day when I saw Dave Azar. I feel so bad and Alverda and I send our deepest sympathy. It was wonderful to see you and Skip at the 50th. This, apparently, explains why we hadn't heard anything from you as you must have had your hands full. Skip was a great guy and will always be a part of the good memories from the school days. All the best to you and the family and all of your loved ones as they have someone wonderful to remember, too.

“ Gosh...I knew Skip in Stroudsburg, just before he moved to Allentown. I use to play some sandlot basketball with him and Hal Watson...What a team they would have made had he stayed in Stroudsburg. Its been 50 some years but I never really forgot him and often wondered how he was. I knew about his experience at W. VA., but lost contact after that as I taught internationally most of my adult life. Will always remember him as he was an extremely open, friendly, and genuine human being, even as a teen...R.I.P Skip, you really made an impression on me and I'll never forget you.

“ Jane, sorry to hear about Skip. He was always my good friend and pal. I was always glad to see him at the reunions. We always joked around at track practice. I'am still at awe over Skip's District high jump performance that night. Hopefully, We'll all be together again in heaven.

“ Jane: I am heartbroken over your loss. I will always have Skip in my heart. I will also fondly remember pulling him on the floor and dancing a slow dance with him at the last reunion (he stepped on my toes). My thoughts are with you and your family.

“ Dear Janie,
How sad we are to learn of Skip's passing. To have known you both as enthusiastic teens at LED was a joy. But to reconnect with you both as adults at class reunions is a teacher's gift. We will treasure that gift as you will treasure your memories.

Our love to you,
Pete and Sandy Carpenter

“ Wishing deepest sympathy to the family of Skip Kintz. I remember watching Skip play basketball for Dieruff. The last time I saw Skip was when he was back at Dieruff for the tribute to Dick Schmidt. When I think of Skip I think of good times and memories.

God bless all of you.

Sincerely,
