“ I have fond memories of your mom Ruth especially. Remember your dad bill as kind and soft spoken. They both had fun loving spirits. I remember babysitting you three children for your parents when You all lived in Coventry
Want you to know I am saddened by your dad's passing and you have my heartfelt sympathy
The Thompson and nichols families shared a triple decker home while growing up. Your mom was a big sister to me. She was so kind

Sincerely

“ I offer my deepest condolences to the family and friends of their loved one. May God who "heals the brokenhearted; he binds up their wounds" give you the strength to endure and ease your great pain during this difficult time (Psalm 147:3).

“ We would like to express our sincere sympathy to Nan and all of Bill's family in the passing of Bill. We have known Bill for many years through the Beach Ambassadors organization of Siesta Beach on Siesta Key in Sarasota, Florida. Bill was a very kind, helpful and soft spoken person. Bill was always doing his share and more in volunteering for the Beach Ambassadors. He and Nan were always very social and helped to bring our organization together. He will be sadly missed.
