“ Hi. 1948, 75 years ago I was transferred from another church to Mt. Zion Lutheran on 6 mile and Gratiot in Detroit. Two years later I met Pastor Nies fresh out of seminary and very accepting of us young folks. His dad was the Senior Pastor.

The city church had an active young people's group headed by Pastor Nies and weekly movies and games on Friday nights kept us occupied with wholesome fun activities.

Following my graduation from Denby High in '53 he encouraged me to attend Capital University and study for the ministry.

Unfortunately funds were a big issue since I was being raised by a single parent. My father died of TB when I was a child.

The accepting of Christ and loving one another, Pastor Nies taught us has nurtured me and helped me endure these past many years

May Reverend Doctor William Nies rest in peace.

Thank you. William Vickery

“ To the Charles I. Shelton family of Fairfax, Virginia, Pastor Nies' strong faith witness was what drew us to join Holy Trinity in Falls Church fifty years ago in 1971. He confirmed us and challenged us to grow in faith and give of our time, talents & treasure. His whole family was another family to us because ours were far away. We give thanks to God for Pastor Nies' life and commitment to serve God, and the excellent example of faith in the Word he lived. We miss him, Trudi and their family. Wishing blessings with appreciation to his family. Mary Ann Shelton for the Charles Shelton family (Lis, Christina & Paul)

“ He was the best pastor I had ever met. My early years spent at Mt. Zion Lutheran Bible School were very enjoyable with him. We learned a lot and also had a lot of fun. He truly inspired young people to want to be in church. I will never forget him and his wonderful family.

“ *He was the best pastor ever. He's largely responsible for my love of God and my membership in churches throughout my life. He knew how to handle teens and his presentations of bible characters legendary. I'm sure God welcomed him home with a "well done!" I was a member of Mt. Zion in the 50's and 60's. His son was in my Sunday School class.*

I'm so sorry I just learned of the death of Pastor Nies. My family knew him well, as we were members of Mt. Zion Lutheran Church in Detroit. His Dad married my parents in 1929 and my sister in 1953. He baptized all of us and Pastor Bill and my brother were confirmed together. I reconnected with him in Florida at St. Armand's. He and his Dad were gifted pastors. Sincere sympathy to the family.
