“ I was privileged to know Wilma over many years. She was a friend who enjoyed Sunday lunches after church with a group of women. Wilma and Bruce delivered Meals on Wheels and inspired others to do the same. A true caring friend.

“ Wilma brightened the lives of her many friends, including mine. A deeply spiritual person of numerous talents, her creativity and compassion shone through her many activities. In addition to her work activities, she also used her creative abilities. In 1984, she put together a beautiful, tall, pink and white silk flower arrangement for our sick family member. We enjoyed this arrangement for 37 years, until out of necessity in downsizing, we gave it away. My appreciative memories of Wilma endure into the NOW.
-----My condolences to Wilma's family, in your loss.
